Location: Trichy, Tamil Nadu, India

PROFESSIONAL SUMMARY

Software engineer and Electronics & Communication Engineering graduate with a strong foundation in Object-Oriented Programming (OOP), and hands-on experience building full-stack applications with Node.js, Java, React.js, and SQL. Practised in AI-augmented development using agentic coding assistants (Claude Code) to write and test production-quality features faster. Anthropic-certified in Claude Code, Model Context Protocol, and Agent Skills. Product-first mindset and strong English communication.

TECHNICAL EXPERIENCE

MeteoBridge

Java | Spring Boot | Spring Boot AI

- Developed a dynamic MCP backend in Java, enabling LLMs to bypass static training data limits.
- Enabled AI agents to autonomously fetch and analyze current weather and forecasts in real-time.

News App

HTML | CSS | JavaScript

- Created a news portal and NewsAPI to fetch and display live news articles dynamically.
- Added category-based filtering (sports, business, tech) with a responsive user interface.

Weather App

HTML | CSS | JavaScript

- Integrated with the OpenWeather API to display real-time weather information by user input.
- Focused on clean UI design, accurate data serialization, and optimized rendering speed.

TECHNICAL SKILLS

Languages:	Java, JavaScript (ES6+), SQL, HTML5 & CSS3	AI-Augmented Dev:	Claude Code, Copilot, MCP, Ollama
Frameworks & Libs:	Spring Boot, Node.js, React.js	Tools & Practices:	Git, GitHub, Postman, Agile/Scrum
Databases:	SQL (MySQL), MongoDB	CS Fundamentals:	OOPs, DBMS, REST API design

ACADEMIC PROJECT

Dynamic Wireless E-Vehicle Charging (2023 - 2024)

Arduino Nano | Embedded Coil | Prototype

- Designed inductive power transfer system using ground charging pad and onboard receiver.
- Achieved up to 95% charging efficiency in prototype tests with alignment safety mechanisms.

CERTIFICATIONS & EDUCATION

Certifications:

Anthropic: Claude 101, Claude Code in Action, Model Context Protocol, Agent Skills
SimpliLearn: OOPS in Java

Education:

B.Eng. in ECE | K.Ramakrishnan College of Engineering | 2021 - 2024 | CGPA: 7.1
Diploma in ECE | Sri Vignesh Polytechnic College | 2019 - 2021 | Percentage: 80%
